

Interstellar Alliance Social Experiment Step 1 Channeling with Bashar

- Do not engage in any conversations about conspiracy theories.
- Do not post or read any such theories.
- Remain neutral.
- Do what you can to learn the actual facts of any situation, no matter how long that takes.
- Do not accept people's opinions and statements as facts without substantial evidence.
- Many believing or saying the same thing is not evidence.
- Some conspiracies exist, but not all are true, no matter how "real" they may feel.
- Do not speculate about which parts of a conspiracy theory may be accurate or true.
- Do not buy into any rumors out of fear or a need to belong.
- Ignore peer pressure to believe a conspiracy theory.
- Use common sense and rational discernment to choose what you believe regarding any rumors.
- Do not believe second or third-hand information. Always check with the original source if possible.
